SILVER PARTY COUNTY

PLATFORM.

1.—That the formation of a Silver Party in Nevada, more than twelve years ago, was in the interests of the people of Nevada, and because of a growing demand for less extravagance in the administration of public offices, that the right of the taxpayers and builders of the Commonwealth might be subverted and home industry protected.

2.—That the pledges of the people, the taxpayers, and the toilers have been kept to the letter, and the more economical administration of government has reduced the State tax rate to 75 cents on the hundred.

3.—That as the Silver Party of Ormsby we ratify the action of the Silver and Democratic parties at the Winemucca convention August 23, 1904, in the matter of fusion made in the best interests of the two parties, both acting in a common cause and for the public weal.

4.—That we heartily endorse the nomination of that Convention of Hon. John Sparks for the office of U. S. Senator, believing that in such a citizen and builder of the Commonwealth we will be represented at Washington by a man whose personal integrity is without reproach and in whose honorable career as a representative of the people of Nevada can always take excusable pride. We pledge our legislative nominees to his support.

5.—That we commend the course taken by Hon. C. D. VanDuser, our able representative in Congress, for his telling defence of the State industries and his sturdy stand on the labor question, which insures his reelection.

6.—That we commend to the voters of Ormsby our distinguished fellow citizen, Hon. H. F. Bartine, in his canvass for the exalted office of Justice of the Supreme Bench, and we regard him as a man in whom all classes of honest citizens, either the capitalist or the toiler, can safely trust their interests in the highest court of Nevada.

7.—We recommend to the voters the nomination of our fellow townsman, W. J. Crocker, of Ormsby, and Emmett Boyce, of Lyon, for Regents of the State University, in whose hands the education of our children will be promoted.

8.—That we commend the Silver ticket to the voters of Ormsby and merely ask them to compare the economical administration of the party here, when in full control of the county government, and the extravagance of previous and subsequent administrations.

9.—That we denounce the contemptible action of the discredited traitors of the Rump Convention of Reno, and condemn the filing of nominations by the hypocritical representatives of said convention as intended to injure the party, and, if possible, to throw support to George Nixon and the Republican party of Nevada. Every vote cast for such a fraudulent ticket is a vote for the enemy.

PROPOSED AMENDMENTS TO CONSTITUTION.

No. X.—Senate Concurrent Resolution, relative to amending Section 13, Article XV, of the Constitution of the State of Nevada.

[Passed March 10, 1903.] Resolved by the Senate, the Assembly concurring, That the Constitution of the State of Nevada be amended as follows:

initiative and referendum, and other legislative authority and power connected therewith.

[Passed March 12, 1903.]

Resolved by the Assembly, the Senate concurring, That Section 1 of Article IV of the Constitution of the State of Nevada shall be and is hereby amended to read as follows:

Section 1. The legislative authority of the State shall be vested in the Senate and an Assembly, which shall be designated as the "Legislature of the State of Nevada," and the sessions of such Legislature shall be held at the seat of government of the State. The people, however, reserve to themselves powers to propose laws and amendments to the Constitution, and to enact or reject the same at the polls, independent of the Legislature, and also reserve power at their own option to approve or reject at the polls any act of the Legislative Assembly. The first power reserved by the people is the initiative and not less than ten (10) per cent of the legal voters shall be required to propose any measure by such petition, and every such petition shall include the full text of the measure so proposed. Initiative petitions shall be filed with the Secretary of State not less than four months before the election at which they are to be voted upon. The second power is the referendum, and it may be ordered (except as to laws necessary for the immediate preservation of the public peace, health or safety) either by petition, signed by seven (7) per cent of the legal voters, or by the Legislative Assembly, as other bills are enacted.

Section 2. Referendum petitions shall be filed with the Secretary of State not more than sixty (60) days after the final adjournment of the session of the Legislature which passed the bill on which the referendum is demanded. The veto power of the Governor shall not extend to measures referred to the people. All elections on measures referred to the people of the State shall be at the biennial regular elections, except when the Legislature shall order a special election. Any measures referred to the people shall take effect and become a law when it is approved by a majority of the votes cast thereon, and not otherwise. The style of all bills shall be "Be it enacted by the People of the State of Nevada. This section shall not be so construed to deprive any member of the Legislature of the right to introduce and measure. The whole number of votes cast for the Justice of the Supreme Court at the regular election last preceding the filing of any petition for the initiative or for the referendum shall be the basis on which the number of legal votes necessary to sign the petition shall be counted. Petitions and orders for the initiative and for the referendum shall be filed with the Secretary of State, and in submitting the same to the people of the State, he and all other officers shall be guided by the general laws and the Act submitting this amendment until legislation shall be especially provided therefor.

No. XIII.—Joint and Concurrent Resolution, amending the Constitution of the State of Nevada by adding thereto an article providing for public utilities.

No. XXII.—Assembly Concurrent Resolution, relative to amending Section 1 of Article X of the Constitution of the State of Nevada, pertaining to the assessment and taxation of patented mines.

[Passed March 20, 1903.]
